

HEY BABY, SMILE: Stopping Street Harassment

Thurs. March 22
6:30-8pm
3020 Student Union

Catcalls, sexually explicit comments, sexist remarks, groping, leering, stalking, public masturbation, and assault: Most women (more than 80% worldwide) and LGBTQ folks will face **gender-based street harassment** at some point in their lives. Street harassment limits people's mobility and access to public spaces. **It's a form of gender violence and it's a human rights violation and it needs to stop** (stopstreetharassment.org). **Come and share your experiences and find out about amazing global efforts to STOP street harassment!**
